Since our SLPs, OTs, and PTs began using Talktrac® we have quick, easy access to evidence for our required reports.

Etta, PEC Director, Georgia

Let's Talk!

...All in all, this is the best program for progress monitoring that not only benefits me but also the students I teach!

Amanda, SLP, Georgia

The implementation of Talktrac® was very easy. There was help to set up the data and with the Talktrac® support it was quick and painless.

Darla, Computer Services Coordinator, New York

The Mecco Group

The Mecco Group is dedicated to developing innovative software for speech language pathologists, physical therapists and occupational therapists by leveraging technology to assist clients in obtaining communication and physical skills essential to living a rich and rewarding life.

Frankie Strickland Ed.S, CCC-SLP

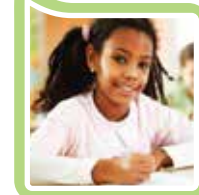

President & Speech Language Pathologist

More effective data-driven treatment decisions are being made since implementing Talktrac®. I can quickly and easily review students' therapy performance and determine if the intervention is effective and aligned to their IEP goals.

Rena, PT, New Jersey

To learn more about Talktrac® and discuss product pricing, call 877-788-5192 or email info@talktrac.com.

The program frees up time for our SLPs to devote more time to direct services to the students by removing the necessity of the burdensome and time-consuming pencil/paper documentation required in the past.

The set up was easy and smooth.

mobile-ready!
